EDUCATION

2024-2028

SLIIT UNIVERSITY

- BSc (Hons) Bio Technology

2014-2022

ST. JONH'S COLLEGE, JAFFNA

- A/L : 2BC
B: Biology, Chemistry
C: Physics
- O/L : 7A2B

2014-2022

ST. JONH BOSCO, JAFFNA

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English (Fluent)
- Tamil (Native)
- Sinhala (Conversational)

OBJECTIVE

- Dedicated and detail-oriented Medical Laboratory Researcher with a strong background in clinical and research laboratory settings.
- Seeking to leverage expertise in advanced diagnostic techniques, molecular biology, and data analysis to contribute to innovative medical research and improve patient outcomes.
- Eager to collaborate with interdisciplinary teams in a dynamic environment to advance scientific discoveries and healthcare solutions.
- Adept at conducting complex analyses, developing innovative testing methods, and interpreting data to drive impactful research outcomes.

WORK EXPERIENCE

SLIIT University, Malabe

2026 NOV-2027 JAN

-Assistant Biotechnology Laboratory Researcher

- Conducted advanced molecular biology and immunology experiments, improving diagnostic accuracy by 15%.
- Led student and faculty research projects, optimizing protocols and ensuring data integrity.
- Published research and presented findings at international conferences.

Medical Research Institute, Colombo

2027 Mar-2027 Oct

-Medical Laboratory Researcher

- Performed clinical tests to support diagnoses, contributing to critical research on infectious diseases.
- Reduced lab errors by 20% through quality control initiatives.
- Trained staff in advanced lab techniques, enhancing overall lab efficiency.
